GO-TO-CHURCH DAY.

A county wide Go-To-Church-Day will be observed on May 5th, by this county. The Maysville ministers are leaders in this movement which it is believed will result in more people going to church at least for that one day than was ever known before. Cities everywhere are having and have had such a day. Sometimes 60 per cent. of the population attended a church service on that day. Maysville and Mason County must establish a good record for itself.

AFTER COUGHING TWO YEARS

Waycross, Ga., Woman Found Relief In Vinol.

Did you ever cough for a week? Then just think how distressing it must be to have a cough hang on for two years. Mrs. D. A. McGee, Waycross, Ga., says: "I had a very heavy cold which settled into a chronic cough which kept me awake nights for fully two years, and felt tired all the time. The effect of taking your cod liver and iron remedy, Vinol, is that my cough is gone. I can now get a good night's rest and I feel much stronger in every way. I am 74 years old." It is the combined action of the medicinal elements of the cod's liver aided by the blood-making and strength-creating properties of tonic iron which makes Vinol so efficient for chronic coughs, colds and bronchitis—at the same time building up the weakened, run-down system. Try a bottle of Vinol with the understanding that your money will be returned if it does not help you. J. C. Peacor, Druggist, Maysville, Ky. P. S.—If you have any skin trouble try Saxo Salve. We guarantee it.

SERIOUS ERROR IN MAYSVILLE

Maysville Citizens Will Do Well to Profit by the Following.

Many fatal cases of kidney disease have reached an incurable stage because the patient did not understand the symptoms. Even today in Maysville there are many residents making the same serious error. They attribute their mysterious aches and pains to overwork, or worry, perhaps, when all the time their rheumatic pains, back-ache and bladder irregularities are most probably due to weak and ailing kidneys. If you are ill, if your kidneys are out of order, profit by this Maysville resident's experience.

Lang Stevens, Maysville, Ky., says: "My kidneys were out of order and I had backache, attended with pain, which extended into my kidneys. The kidney action was irregular. Doan's Kidney Pills had been used in my fam- ily, so I gave them a trial. They made me entirely better."
